IN THE NATION'S CAPITAL: USITA appears before House committee to protect Independents' FCC exemption when they use radio. Court rules in New Jersey Bell rate case. Senate committee considers ways to help improve financial condition of Western Union, July 4, p. 13. . . . District of Columbia court rules on REA financing of co-ops in urban area of more than 1,500 population. FCC approval cuts AT&T Long Lines depreciation rate. CWA annual meeting reviewed, July 11, p. 13. . . . House sub-committees consider wire-tapping and highway relocation bills. . . . Industry testifies on latter measure. Nelsen announces organizational changes for REA. Walker ends work with FCC, July 18, p. 20. . . . Senator Tobey introduces anti-gambling bill which deserves special attention from telephone industry. Bell protests two taxes on employes' income. Pennsylvania superior court upholds Bell company's rate increase, July 25, p. 17.
Congress gives REA total of 75 million dollars for telephone loans for fiscal year. . . . Largest amount available since telephone program was started. USITA wins first round on FCC radio exemption for Independents. Utilities, including telephone industry, ask depreciation tax reform of House Committee, Aug. 1, p. 20. . . . House committee to hold hearings on excise taxes. . . . Telephone industry to request elimination or substantial reduction of excises on telephone service. Federal court hits cost of capital theory in setting rate of return for gas company, Aug. 8, p. 19. . . . Bill permitting Independents to render radio service without being subject to FCC expected to be passed at next session of Congress. Industry representatives testify against telephone excise taxes before House committee, Aug. 15, p. 25. . . . Representatives of Independent and Bell segments of telephone industry, Western Union, CIO and NARUC testify in opposition to federal excise taxes before House committee, Aug. 22, p. 17.
Bell System application for toll rate increases reverses long-time steadily downward trend. . . . FCC not likely to suspend rates. New general counsel appointed for FCC. . . . Also assistant telecommunications director for ODM. Economies effected in REA. Employe stock gains taxable?, Sept. 12, p. 21. . . . REA electric co-ops urged to run their own business. British trade unions cool on nationalization of industry. No opposition to increase in interstate toll rates. TV community antenna services on the increase, Sept. 19, p. 19.
NARUC convention addresses and reports concerning the telephone business are reviewed. NARUC committee cites Welch article in TELEPHONY to show increased trend by commissions and courts to recognize reproduction cost in establishing utility rate bases, Oct. 3, p. 15. . . . FCC allows interstate toll rate increase. . . . Doerfer criticizes Commissioner Hennock's sole dissenting opinion. Excise tax on telephone service unpopular, independent survey shows. Important court and commission utility decisions reviewed, Oct. 10, p. 23. . . . REA Administrator Nelsen reorganizing agency to speed up operations and to reduce loan application backlog. Various Bell rate cases reviewed. R. E. Lee, new FCC commissioner, native of Illinois, Oct. 17, p. 13. . . . New federal regulatory policy seen as result of statements by FPC Chairman Kuykendall in address before gas and oil producers. REA to approve Hoosier co-op sale to private companies. Left-wingers opposed Lee's appointment to FCC, Oct. 24, p. 92. . . . Discusses REA's recently modified policy. Reports Clarence Manion says TVA should be sold. . . . Ike's answer. What happened to NPA? FCC members see TV industry's "compatible tube." Commissioner Hyde says television color standards may be approved by Christmas, Oct. 31, p. 13.
Preservation of original copies of American government documents emphasizes need for stronger state regulation of utilities instead of increased federal regulation. Business should get behind Eisenhower administration. REA administrator opposed to increase in interest rate on telephone and electric loans, Nov. 7, p. 17. . . . New England T&T rate case gives Massachusetts Supreme Court choice of affirming or rejecting strict investment rate base. . . . "End-of-period" rate base permitted in Arkansas and Colorado decisions. Predicts rough sailing ahead for GOP. Nation's capital served by area dialing, Nov. 14, p. 17. . . . REA Executive Weitzell sounds call for more telephone loan business . . . more practical business methods. FCC license fees expected to go up. Microwave to serve community TV antenna system approved for Mountain States T&T. See NLRB policy alterations, Nov. 21, p. 21. . . . Installation of 50-millionth telephone in the United States adds up to an indisputable achievement under private enterprise. Telephone companies must watch increased interest in radio by industrial concerns. Cost of money still an issue in rate cases, Nov. 28, p. 22.
Secretary's speech at CIO convention indicates Labor Department will recommend increase in minimum hourly wage rate. State commission's witness in New Jersey Bell Telephone Co. rate case proposes that company go in for heavier debt ratio. . . . Brings up question as to whether commissions have the right to force utilities into debt, Dec. 5, p. 17. . . . REA and industry working toward closer understanding on extended area agreements. Hoosier co-op deal off. . . . REA approves sale of "Detchon" properties to Indiana Bell. NRECA leads "walkout" on conference to consider future development of U. S. resources, Dec. 12, p. 19. . . . Unveil proposed bill to authorize use of evidence obtained by wire tapping. Sees need to clear up nation's loyalty-testing machinery. Congressman told Congress appropriated more loan funds to REA than needed, Dec. 19, p. 17. . . . Welch makes 1954 prediction on Washington developments of interest to tele. cos. industry. Scores 80% on 1953 forecasts, Dec. 26, p. 13
Workman, Mayme: Operator's Corner: July 11, p. 20; Aug. 8, p. 35; Aug. 22, p. 30; Sept. 26, p. 44; Oct. 3, p. 30*; Nov. 28, p. 27; Dec. 12, p. 23.
